

**50** DAYS OF  
UNBROKEN  
PRAYER  
FOR THE TURKIC WORLD

## DAY 6: APRIL 10

### Nogais

The Nogais are descendants of nomadic steppe peoples, with a population of approximately **100,000 with less than 0.01% Christians**. Living primarily in southern Russia, their culture reflects a long history of migration and adaptation.

Islam is an important part of their identity, though levels of observance vary. Cultural preservation is vital, especially language and tradition. Many live in **rural areas with limited access** to resources or the gospel – until recently.

An Uzbek brother woke up with the word “Nogai” on his mind. Though unfamiliar with them, he searched, discovered where they live, and recognized their shared language. Since then, **our Uzbek church-planting team started visiting the Nogai**, and right now, in these days, one of our teams is there among them.

### Scripture

“Even before they call out to me, I will answer them. While they are still speaking, I will hear them.”

Isaiah 65:24

### Prayer Points

- ✓ Pray for **protection and wisdom** for our church planting team that is currently there
- ✓ Pray that God would **open doors, open hearts, and lead them** to persons of peace.
- ✓ Pray that the Nogai **would see the beauty of Jesus Christ**—His deep love and passion for them—and be transformed by His Holy Spirit.
- ✓ Pray for a church-planting movement among the Nogai—and that **they would carry the gospel even further**, reaching other people groups who have not yet been engaged.
